HOW TO DO IT

You can do this project in any format you like. It could be a drawing or a painting. It could be a picture of Owlbut's face or one of him flying around. The choice is yours. When you've decided you can begin to produce your picture.

If you're not very good at drawing, although don't forget you can produce the picture any way you like, we've made a video to help you. It's on the website, on the page about this project.
