

SOMETHING TO MAKE MY LIFE BETTER

WHO CAN DO IT

We suggest this project is done by children above age 8 and under the age of 15. It can be done either from home or in school.

WHAT YOU'LL NEED

Paper, pens, paints, crayons or pencils. You may need a scanner or camera so you can upload it to your school's website.

HOW TO DO IT

You can do this project in any format you like. It could be a drawing or a painting. All we want is a picture of one object that you think would make your life better. You don't need to tell us why, just show the object. We are giving you no more ideas. This one is up to you. Are you going to draw, paint or use a computer drawing package? The decision is yours.
