

Hi there. This is a project I'd like you to have a go at please.

MY FAVOURITE BOOK

I want to know what has been the favourite book you have read or had read to you. It's a very simple project. It will probably only take up one sheet of A4 paper if you use a word processing package. If you choose to write it, then it will depend on the size of your writing but, if you are writing it, do make sure your writing is neat and can easily be read by other people.

We would like you to give us the following information:-

Name of the book:

The Author

When it was published: (you can usually find this at the very front)

How old were you when you first heard or read the book:

A brief summary of the book: (no more than 200 words)

Why you liked it: (no more than 200 words)

Your teacher may show you an example I asked Richard to write.

I'm looking forward to reading about your favourite book and maybe then reading the book. Owlbut
