

Hi there. This is a project I'd like you to have a go at please.

GAMES I PLAY

I want you to tell me about a game that you play. It can be one you play with your friends, family or one you play on your own. It can be a board game, a card game, an outdoor game or a game you have made up yourself. The only rule is that it cannot be a computer game or one that is played on any electronic device.

I would like you to give us the following information:-

- **Name of the game, if it has one:**
- **Type of game (card, board, made-up, other):**
- **How to play it:**
- **Why you like it:**

In total you're writing shouldn't be more than 400 words.

Your teacher may show you an example which I asked Richard to write.

I'm off to play Richard's game now. Owlbut
