

Hi there. This is a project I'd like you to have a go at please.

MAKING A STORY

I want you to write me a little story. However, your story must contain certain words. I am going to tell you the words that must be in the story. The words are either a noun, an adjective, a verb, an adverb or a conjunction. They can appear in any order in your story.

The story must have the following six nouns in it (a noun is the name of a person, a place or a thing)

- Owlbut
- owl
- tree
- sky
- field
- food

The story must have the following six adjectives in it (an adjective is a word that describes a noun)

- blue
- tasty
- big
- green
- clever
- happy

The story must have the following six verbs in it (a verb is an action word)

- sat
- flew
- looked
- saw
- moved
- smiled

The story must have the following six adverbs in it (an adverb is a word that modifies a verb)

- quietly
- speedily
- carefully
- slowly
- happily
- suddenly

The story must have the following four conjunctions in it (a conjunction is a word that joins sentences together to make them longer)

- and
- but
- or
- however

You can use any other words you want and you can use a word more than once. Your story shouldn't be more than 250 words long.
